Guil:

Our names shouted in a certain dawn . . . There must have been a moment, at the beginning, where we could have said--no. But somehow we missed it.

(He looks around and sees he is alone; gathers himself) well, we'll know better next time. Now you see me, now you--

You've got to make your
own kind of music.
Sing your own special
song.
Even if nobody else
sings along.

John Phillips

I was expecting a larger group."

Tom Reddin

Sports

Let's get up and move--Agyeya

"... But jogging's good for you.
You should come out and try it."

--Jones

"Yeah, but..."

"And while you're at it, bring
your swim suit and fencing foil."

"But I have to pass my history test."

"In that case, you'd better bring
your tennis racket too."

Canvassing.
Tired Feet--tired fate.
"Would you sign?"
"Who are Hatfield and McGovern?"
"I wouldn't sign for anything in the world!"
--Mr. Man

"I remember... Earth Day."
"Did you see the Mime Troupe?
They did the rape of Mother Earth--
Wasn't it positively obscene?"
"... Maybe they just said something
we didn't want to hear."

"What are you wearing that arm band for?
Do you know what it means?
When I act on something, it has to
be meaningful--take the dress code
for instance..."

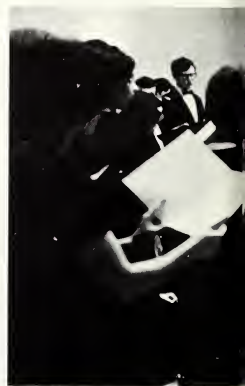

We promise according to our hopes,
and perform according to our fears.

Rouchefoucauld

There will be a time
I know, when people will
take delight in one an-
other, when each will be
a star to the other, and
when each will listen to
his fellow . . .
as to music . . .

Residence Life

Maybe incites discussion on
curfew and residence rules

Residents successfully pressure
for open dorms on Sunday afternoons

"...But sister I know open dorms
isn't now, but..."

"There's a panty what?!"

--It used to be an all-girls' dorm

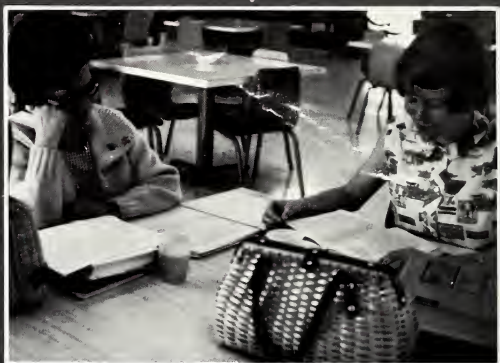

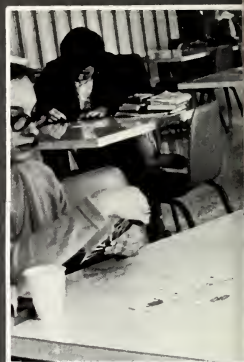

With half-damp eyes
I stared to the room
where my friends and I
spent many an afternoon,
where we together
weathered many a storm,
laughin' and singin'
'til the early hours of the morn.

Bob Dylan

"Bridge?

Want a cigarette?"

"No... I sure wish that typing would stop."

"Did you hear about the dance?"

"What dance?"

"Well, I didn't hear about it until it was over, but..."

"No one told me at all--Gee, I wish that typing would stop."

"Well, where else can we go?"

... what arithmetic the women folks know
they got at a bridge table.
